# FORGEWORD

With this, the last year of our school life at Central High, coming to a close, we recall all the joys and the good times we experienced in our four years of high school. And as we look back, we are inclined to exclaim, "The time went so fast. Why! it seemed just like yesterday. . ." But what is past is only joyful memories, and our real challenge is the future.

Just as the real Crusaders lived up to their ideals, we must try to live up to the ideals of our school. We are proud of its achievements in sports, in scholarship, and in the formation of good citizens. It is our purpose to carry on these high traditions, and like those who have gone before, to make our contribution to the world at large. All the wisdom, knowledge, and virtue acquired in our short stay at Central, we must apply to the life after school. "GOD WILLS IT" must be our battle cry also, as we step into the arena of life.

Be pleased to review with us the events of our 1958-1959 school year.

# DEDICATION

Deserving of special mention is the INDUSTRIAL COUNCIL of St. Marys—a select group of men, especially interested in advancing the educational and recreational facilities of our town.

Under their guiding hand there emerged a Boy Scout building, a Girl Scout house and summer camp, a Knot-hole Baseball League.

Their dollars brought about the broadcasting of athletic events for the benefit of the interested people who cannot attend the games. The floodlighting of Berwind Park has added greatly to the interest and attendance at these functions.

A new wing, now being added to the Andrew Kaul Memorial Hospital, is due in great measure to their efforts, and the gratitude of all St. Marys goes out to them.

The climax thus far, however, is the acquisition and renovation of the Municipal Building which plays so important a part in the youth activities of our town.

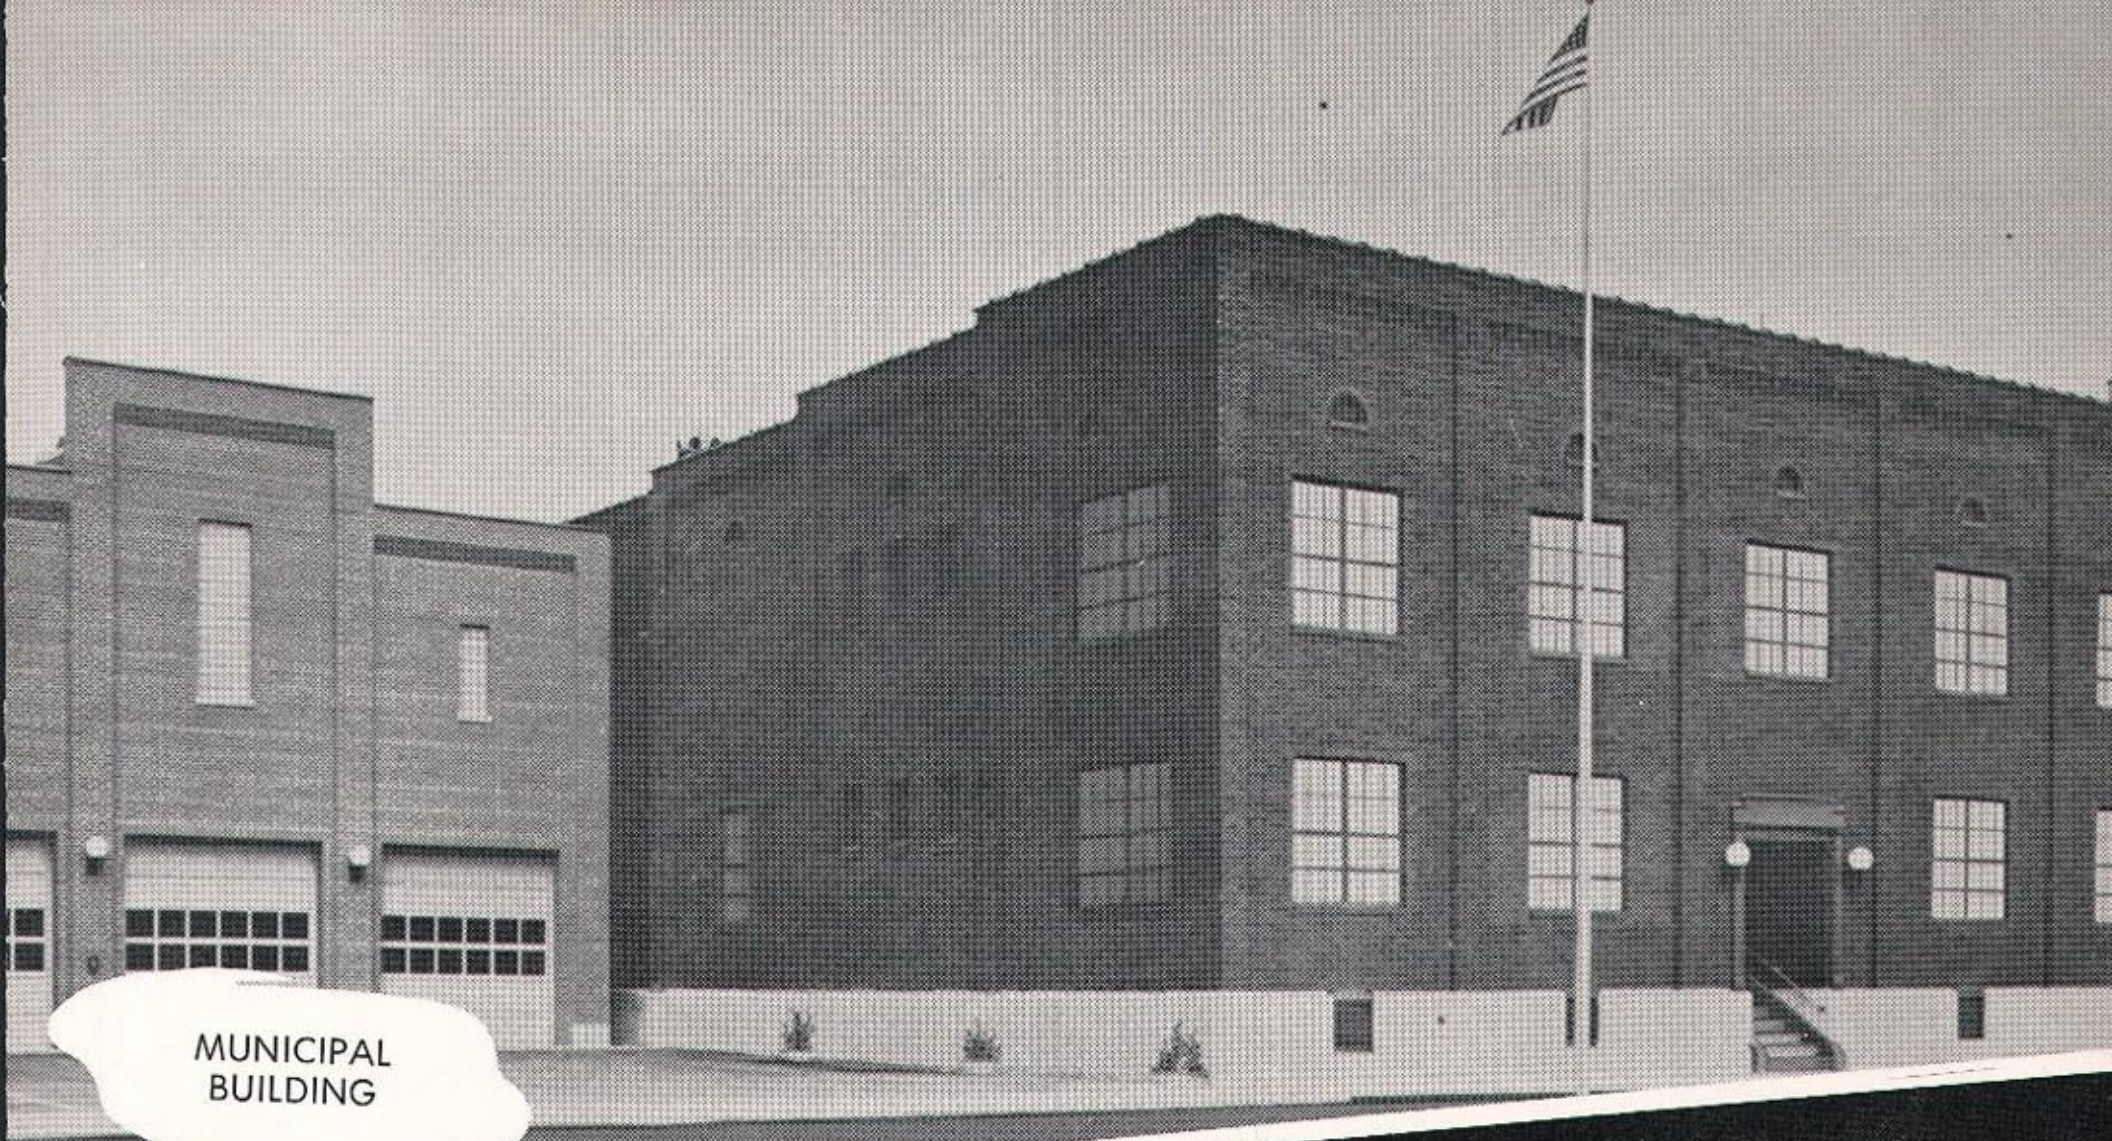

It is to THESE MEN that we, the class of nineteen hundred fifty-nine, dedicate this thirtieth edition of the Memo.

Sports fan—MR. LUPTON

The Central High Faculty is composed of twenty-eight teachers: four Priests, thirteen Sisters, six laymen and five laywomen, with a total of thirty-six college degrees.

These all strive to teach our five hundred and thirty-five students to become good Catholic citizens. Through work and play, both teachers and pupils recognize the essential things needed for their lives now and for their future good.

## ENGLISH, LIBRARY, JOURNALISM

Many facts of English are stressed throughout the high school curriculum. Four credits in English is a requirement for graduation, so all five hundred and thirty-four students have it as a major subject in each year's schedule.

The Library is the fount of information in this field and is running to full capacity this year. The enriched teaching program has made many requests from the Library which, on the whole, have been satisfactorily supplied. Books in various classes have been added. Several editions of the Bible, Lives of the Saints, biography, fiction, and books of general knowledge, such as religion, letter writing, and literature have been made available to both students and teachers. Many magazines, also, have been acquired, either through purchase or gift subscriptions.

This year Central nurtured a new shoot to the English program in hopes of releasing more interesting and informative publications. The principles of good news writing claimed the interest of fourteen, ranging from Freshmen to Seniors. Although only one of this group is a member of the *Ides* staff, the rest strive to help by submitting features and editorials, conducting interviews with school personnel, and writing news articles and stories. Several of these have appeared in the *Ides*.

Journalism aids in awakening the student to the world about him, makes him analyze facts and verify statements, and as a result, he becomes more informed on national and local points of interest. This class terminates at mid-term so only a half credit can be earned.

## PHYSICS EXPLAINS HER LAWS

Physics in today's world is an ever increasing challenge to the twenty-six students in this field. With the world-wide interest in atoms, space flights, and sound barriers, we must be prepared to meet the demands of rapidly expanding horizons. The thirty pupils in Modified Physics and the ninety-four taking General Science are exploring similar areas of interest.

The wood shop is a laboratory where sixty-five Freshman students learn that the former part, "labor" is more important than the latter, "oratory." With this labor and with the use of the band saw, electric sander, jointer, jig saw, planer, and hand tools, every Freshman student has built a piece of beautiful furniture that will long remain in his room as a symbol of education. The wood shop is an important part of this school system that molds inexperienced and uninformed Freshmen into Central products—educated and disciplined seniors.

## MACHINE SHOP

The general aim of the Central High School machine shop is to promote better citizens for the world of tomorrow.

The specific aim is to enlighten thirty-six of our students in the operations and general functions of industry. This is done through instruction in the use of various machines, such as, the lathe, shaper, power hacksaw, drill press, milling machine, etc.

## JUNIOR PROM

April 25, 1958—a memorable day in the lives of many. For on the eve of that day, a world of many dreams evolved into a most beautiful realization. The time had now arrived . . . this was our own JUNIOR PROM.

Some three hundred Junior and Senior couples danced to the theme "Fascination" in our transformed Sacred Heart Auditorium. A dark blue sky with puffs of white cloud hung overhead. The stage, walls, and tables were decorated to further enhance the room. Surrounding the stage were suspended tiny stars imprinted with the names of each couple. But as a fitting climax to this "Fascination" theme, a revolving centerpiece graced our dance floor. Hand-made, and consisting of hundreds of odd-shaped mirrors this beautiful creation, stood as a main topic of conversation among the many guests. It was encircled by a glass pool and a base of hand-made flowers embedded with multi-colored lights. As the centerpiece revolved, the lights reflected throughout the room. Richard Goetz was chairman of the decorating committee.

Chosen King and Queen for this evening of memories were David Schreiber and Sandra Cassidy. The royal couple were presented with gift certificates issued by one of the local merchants.

We were traditionally chaperoned by the lay members of the faculty: Miss Kerner and Milton Chase, Mr. and Mrs. Robert Lupton, Mr. and Mrs. Mulcahy, Mr. and Mrs. Petcavage, Mrs. Margaret and Dennis Scott, and Mr. and Mrs. Spizzirri.

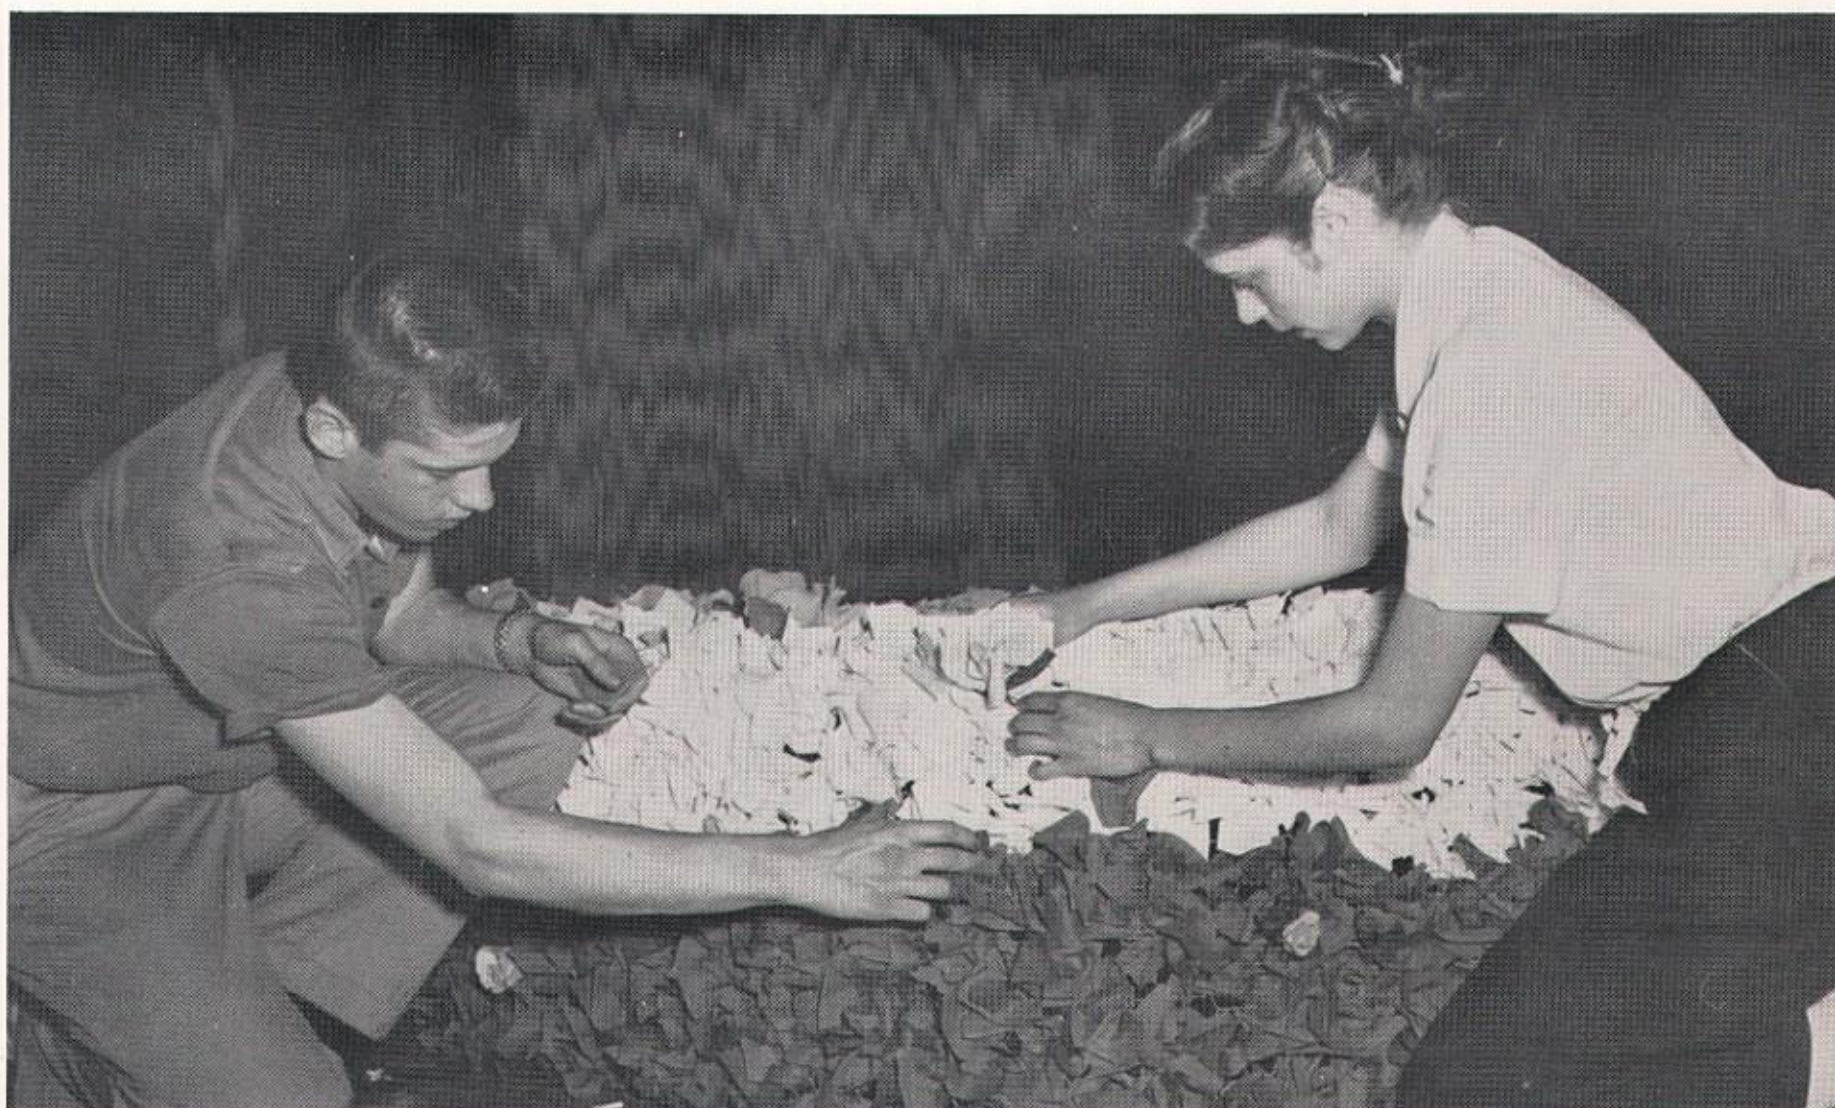

Midnight and "Fascination" played by the "Monitors" terminated this most unforgettable occasion.

## MAY CROWNING

For the annual May Crowning ceremonies, a grotto of Lourdes, previously erected at the Center Street entrance of the school, was set against a background of forsythia, cherry and dogwood. All the other decorations fitted in with the traditional one at Lourdes, since the centennial of the Apparitions to St. Bernadette was being celebrated. Enroute to the altar the student body recited the rosary.

The May Queen, Martha Weber, attired in a white lace, floor-length gown, was attended by Karen Sorg, crown bearer, and Constance Schlimm, Mary D. Valentine, Gretchen Spence, Mary Beth Schlimm, Kathleen Erich, Jo Ann Schloder, Gwynne Schaefer and Alice Hammer, all dressed in pastel shades and carrying colonial bouquets. Bearers and guards of honor were Hilary Schatz, Tom Krug, Joe Halloran, Robert Zamboldi, Steve Sorg, Don Sain, Dave Mohr and John Schaut.

The program consisted of the blessing of the crown, the crowning of our Blessed Mother, a prayer and hymn to Our Lady of Lourdes, the litany of the Blessed Virgin and traditional Marian hymns. Fr. Donald explained in fitting words the origin of the custom of May crowning, also the message of prayer and sacrifice which the world needs so much in this day, the message given to St. Bernadette by Our Lady of Lourdes. May hymns brought the Crowning to a conclusion.

## KING AND CENTER OF ALL HEARTS

Central's first Catholic Mission Crusade Meeting of the year, held October 23, was opened with a prayer led by the newly-elected president Joseph Halloran. Thomas Grug read the recent letter of the Holy Father to the National C.S.M.C. delegates at Notre Dame. The theme of Catholic Youth week, Youth, Space and Sanctity, was explained by Paula Meyer. Mary Bauer gave the financial plan for the Missions with the slogan "Fight Communism by a prayer and a coin for the missions."

The president further outlined the study and program plan for the year. The Act of Consecration and Litany were led by our Moderator Father Donald. Father Lord's hymn to Christ the King was sung since the meeting was held in honor of that Sunday's feast.

Father Paul's address was a timely talk on our preparedness to combat the opposing forces in the world today, for the survival of Christian civilization. The closing number was a Sacred Heart hymn followed by the triple blessing of the three priests present.

## DRAMATICS

As usual, the Dramatic Society began its functioning by holding a meeting. With a new group of Freshmen coming in, there was an increase in membership. Due to the large number, one hundred and fifty-one members, the classes were divided into two sections. The Senior, Junior and Sophomore members held their meetings on the second and fourth Wednesdays of each month, the Freshman members on the second and fourth Thursdays.

The first play presented this year was a comedy in three acts, "You Can't Take It With You," which was the most successful production staged by this group. "Good Will Toward Women" added to the spirit of the Christmas season. "Margie," a comedy in three acts, was staged for Very Reverend Father Timothy's feastday, and was later presented for the public. Father Gregory's feastday was honored by the presentation of "The Haunted Clothes Line." The Senior members staged the three act comedy, "Dotty and Daffy."

In our Troupe 658, the BEST Thespians of the year, selected for their outstanding service in the Troupe, are Richard Goetz, and John Herbst. The HONOR Thespians, or those who have acquired four gold stars, are Mary Ann Herzing, Judith Lenze, Joseph Kim and Ann Lecker. The officers for this year are: President, Mary Ann Herzing; Vice President, Richard Goetz; Secretary, Mary K. Goetz; Treasurer, Ann Lecker; Reporter, Judith Lenze.

The Regional Conference for the Western Pennsylvania Unit of the National Thespian Society held its meeting at Pennsylvania State University on Saturday, April 5. Seventy-two members of Troupe 658 attended the Conference and profited by it. ## LIBRARY AIDES

### LIBRARY GUILD

The Catholic Library Guild, numbering twenty members, meet weekly to plan how best to serve the faculty and the students of the school. Members serve at the Librarian's desk, slip and shelve books, and assist students in finding the books on their required reading lists.

Sessions for the study of classification, cataloging, and arranging books are held periodically. Club members aim, with pleasure and efficiency, to supply the needs of all those who seek information.

### FORENSIC TOURNAMENT

This is Central's second year of membership in the National Catholic Forensic League. The participants profit greatly by their part in the Speech Tournaments and gain poise and confidence before an audience. Their skill and zeal will bear fruit in adult life because of their ability to express Catholic thought and ideals before gatherings, and to debate an issue with logical reasoning and fairness.

## CRUSADERS CAUSE DIAMOND TURMOIL

Superb pitching performances turned in by Central hurlers and a ceaseless hitting average carried the Church Streeters through a short but unmarred campaign.

The Lupton-coached squad bombarded their way to a 4 win 0 loss season collecting 55 tallies in the process.

Tom Goetz highlighted the mound duty with a spectacular no hit performance in a 6 to 2 victory over the Johnsonburg Ramblers. Don Sain received credit for the first victory of the '58 season with a 15 to 2 downing of Penfield on home ground. John Gutowski handled Clearfield in fine fashion with a 5 hit, 16 to 8 victory at Berwind park. Bill Werner polished off the season with an 18 to 6 win over Clearfield while experiencing little trouble on the latter's playing site.

Chicken Heary hits first home run of the season.

# BASKETBALL PROVIDES FANS

The opening of the '58-'59 basketball season found Mr. Spizzirri once again at the helm, marking his third successive year as coach of the Central High Crusaders. He faced a tremendous rebuilding task due to the loss of five seniors, four of whom were regulars. Only four lettermen were to return. St. Bernard's of Bradford was replaced on the schedule by Sykesville Public High. DuBois High was also a newcomer this year.

Tom Goetz, a junior, paced the Centralites in the scoring department with 350 points for an average of 15.9 points per game. Goetz was also high in the foul shooting with a total of 70, for a percentage of 54.2.

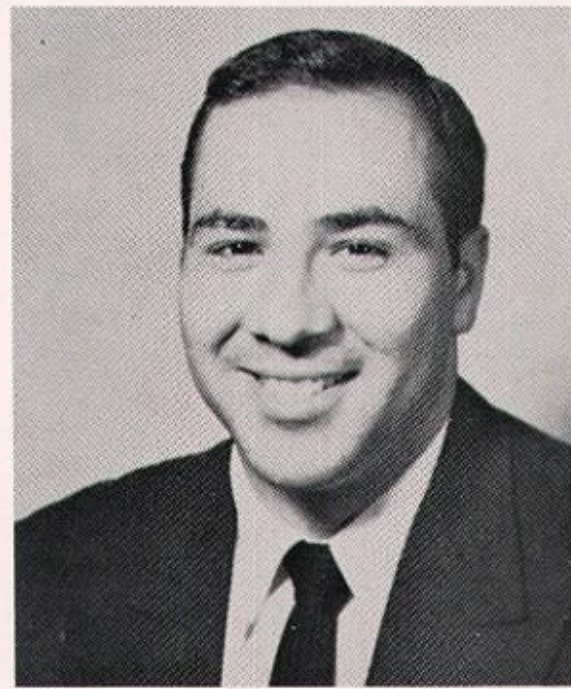

The Crusaders will meet Erie Prep early in March, at Russell, Pa.

The Junior Varsity, with Mr. Lupton as coach, tailored their way through a 20 game schedule which found Dave Burfield as high scorer with 181 points.

A new addition to the Central High basketball program was the Junior High, coached by Mr. Leehan in his first year at Central.

To the hardy and intrepid girls who ventured out for volleyball season . . .

To those who scored a hundred and those who never hit the ball . . .

To the fearless captains whose phone dragged players from their books . . .

To those who made All-Stars and those who just rotated . . .

With apologies, because they tell such a small part of a long tale, the statistics for home room teams:

|     |       |       |     |      |       |     |      |       |

# FOSTERS GOOD SPORTSMANSHIP

# ACKNOWLEDGEMENT

As the CRUSADER has been our inspiration for the 1959 Memo, may his ideals and lofty motives ever lead us on to noble deeds for God and Country.

In closing, we would like to express our appreciation to the people who played important roles in the publication of this yearbook. In particular, we would like to thank our generous patrons, our capable advisors, our co-operative faculty and students, our helpful photographers, and all our good friends who have in any way contributed to make this annual possible.
